THE DEN is South Oak Cliff High School's annual. It is sponsored by Mrs. Jelletta Turner-Gardner. The 1983 -'84 editors are Russell Betts and Joseph Lary. The assistant editor is Cherone Hordge. The professional photographer is Richard Manson of Unique Photography.

Are these really "new times" or is time "looking back forward". Time seems to play tricks on our generation. Slang words which seem new to us are old and quaint to our parents. Hairstyles and clothes which we feel are fashionable today were everyday attires for a past generation.

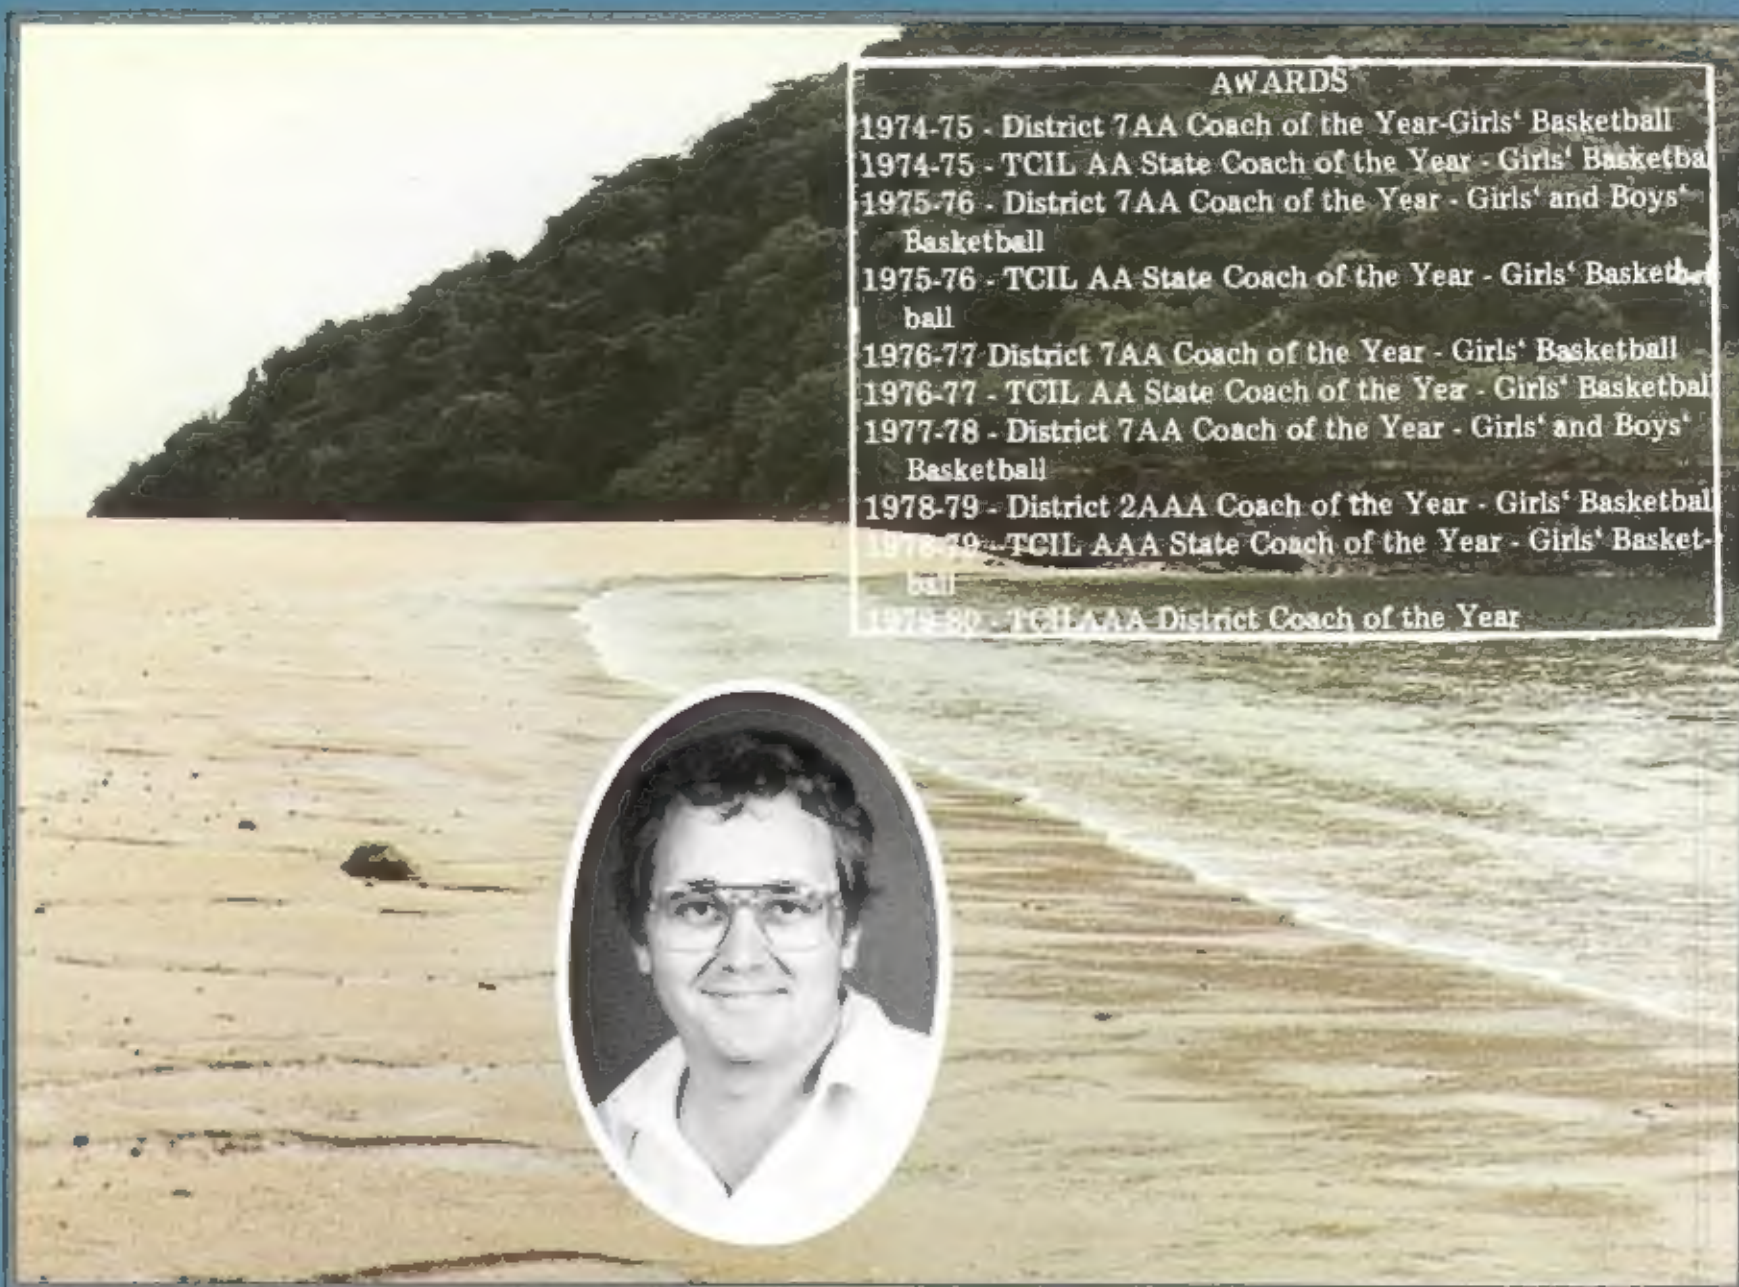

Perhaps history does repeat itself. The 1963 "March for Jobs, Peace, and Freedom" led by the late Dr. Martin Luther King, Jr. was repeated as a 20th Anniversary of the March on Washington led by Rev. Jesse Jackson, President of Operation Push, and Dr. Benjamin Hooks, Executive Director of the N.A.A.C.P. with 250,000 supporters from across the nation.

Dedicated To And In Memory Of Coach Mike Stephenson

The clock of life is wound but once and no one hath the power, to tell just when the hands will stop at late or early hour.

Now is the only time you own, live, love, toil with a will; place no faith in tomorrow, for the clock may then be still.

On December 30, 1983 at the close of winter vacation and the end of the year, South Oak Cliff High School lost a dear family member, Coach Michael Stephenson, in an untimely auto tragedy.

Coach Stephenson joined the South Oak Cliff family the fall of 1980. He was Director of Girls Athletics and head girls basketball and track coach. His girls basketball teams dribbled among the state's finest. He compiled an impressive 78-9 won/lost record during his three years at SOC. His 1981-82 team ranked second in the state and his 1982-83 team made the regional playoffs.

Stephenson was born on January 11, 1947 in Waxahachie, Texas. He spent one year at Lake Highlands where his team won district and ranked third in state girls basketball. He coached the Bishop Lynch 1978-79 girls basketball team to district and state championships in the TCIL. 226-32 won/lost was his life time record as a girls basketball coach. In addition to coaching he taught physical education.

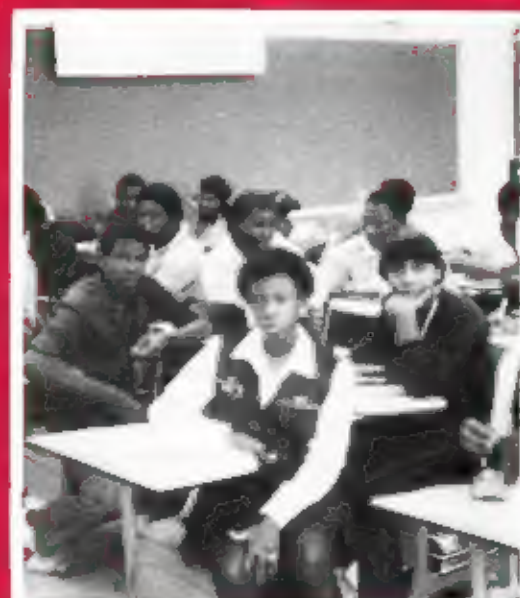

Because of the many lives he touched as a friend, humanitarian and educator there is an unfillable void which no words could truly express. Therefore, we dedicate, posthumously, the 1984 Den to Coach Michael Stephenson.

All eyes focused on Dallas once again as the world reviewed the assassination of President John F. Kennedy. Our generation was exposed "via-media" to the incident as if it had just happened. We also recalled the assassination attempt that was made against President Reagan during our sophomore year. The United States sent troops to Lebanon and invaded Grenada. These actions made us wonder whether or not we should anticipate another "Vietnam Crisis".

Our '83-'84 school year seemed to have been a year for "firsts". For the first time, a black astronaut, Guion S. (Guy) Bluford, Jr., was sent outer space. For the first time, a black woman, Ms. Vanessa Williams was elected as Miss America. For the first time, a black man, Reverend Jesse Jackson, ran for the office of President of the United States of America. And, finally the late Dr. Martin Luther King, Jr.'s birthday was made a national holiday.

Looking back, all of the above items should have been achieved quite some time ago in history. Nevertheless, it will take these steps forward to project our generation to a long predestined goal. "Looking back forward" shows us the long struggle behind as well as ahead.

Dallas Independent School District General Superintendent

Linus Wright

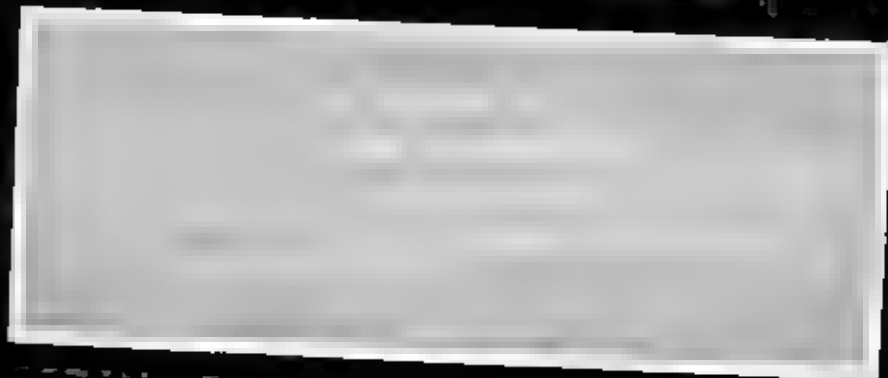

In June of 1983 Linus Wright, General Superintendent of the Dallas Independent School District reveals that the goal for the 1983-84 school year would be to have 85% of all students at or above grade level by 1989. It would be the entire district aim to significant strides toward this goal.

House Bill 246 would provide the District with mechanism to reach the projected goal in 1989. House Bill 2416 delineates what is to be taught in Texas schools. It identifies 12 areas of curriculum that must be taught by grade, content area and course, and provides a consistent, systematic, basic instructional plan for school districts.

The 1983-84 school years has perhaps been the most challenging for Superintendent Wright. He has had to deal with a new task force appointed to the Texas legislation, governing education, headed by H. Ross Perot. Low test scores as well as low teachers, students, and parents opinions on local and state education are of paramount concern. Declining standards have made it too easy to get through school.

If Superintendent Wright's plan works the District will bridge the many gaps, integration, bilingual education, special aid to the handicapped, social promotion, which have weaken the educational structure.

**Building Leadership,
Understanding and
Excellence in Education**

In October, 1979 Principal, Frederick Todd, Sr. asked his student body to tell their parents what South Oak Cliff will be like in the future. He stated that the school would be

see "Education in Action". He stated, "A Changing Image" will come.

November, 1983 Principal, Dr. Fredrick D. Todd, Sr. has seen the image of his school change and continue his challenge for the 80's. Dr. Todd, Sr. who is responsible for the leader-

2,462 students and a staff of 159, admonishes that we must accomplish a designated task. TABS and TAPS test scores will improve. Students will have two to three hours per night of homework. They must pass English and Math in order to move on to the next course otherwise they will be retained. He stated, "The only way to learn how to read is to READ. You can't get a grade on potential, you must perform! Do not attempt to hide behind your inadequacies!"

Dr. Todd informed students and parents that all

level. Power writing, note taking, outlining, etc. will be part of all student programs. He will expect to see books in hands every day when you leave school.

Teacher Of The Year

Robert E. Edison

If you want to know what is the latest happenings in politics, education, or school activities just point yourself in the direction of Room 120 and ask to speak to Mr. Robert Edison. In other words, Robert Edison is perhaps the most informed instructor at South Oak Cliff High School.

Mr. Edison has spent the last five years of a thirteen year teaching career at South Oak Cliff. He teaches Black American Studies and African Studies. He served as the social studies department team leader during the fall semester.

Professor Edison is a native of Louisville, Kentucky. He is the son of Mr. & Mrs. L. C. Edison. He is married and has three children, Chris, a sophomore at Spruce, Omeka in the 4th grade at Sarah Mosely, and Linda Kaidria in pre-school. He obtained an A.A. Degree from Southwestern Christian College, a B.S. Degree from East Texas Dallas, State University, and a M.A. Degree from Robert is a member of Alpha Phi Alpha Fraternity, NAACP, and the Association for the Study of Afro-American Life and History. He attends Fourth Avenue Church of Christ.

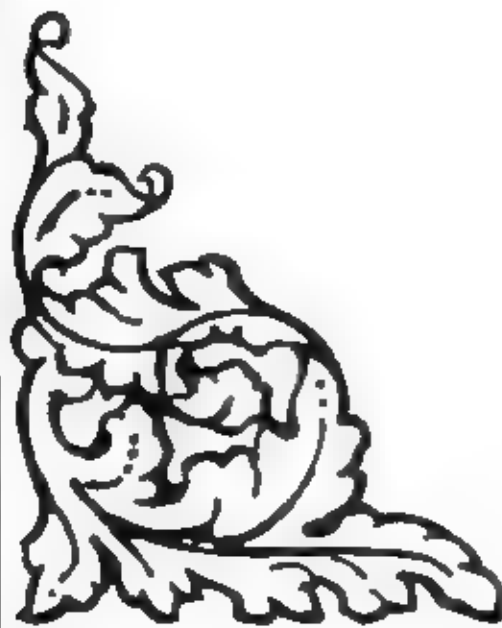

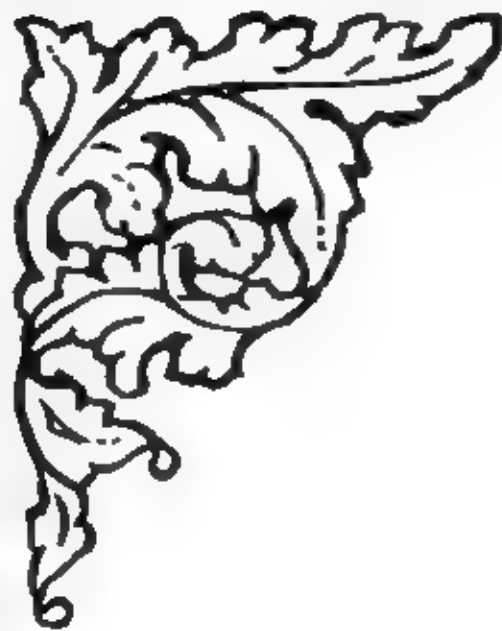

Students as well as faculty are surprised to know that Mr. Edison got into education by accident. His original career goal involved a degree in international relations and to work for the State Department in Africa. His love for black youth caused him to remain in education. As a youth he was advised, "That the historical existence of black people in America make them start last in the race of life must run faster or forever remain behind." This advice inspires him to dedicate his time to the NAACP Youth Council, S.O.C. Student Senate and the Close Up Program.

Robert E. Edison life's philosophy is, "Each man must live in a way that when he stands face to face with death he can look back at a life that was not lived in vain". We is a black man that has shown black youth the value of "looking back forward" for the purpose of success.

Senior Class
Officers**

The class of '84 is lead by four of South Oak Cliff High School most exceptional seniors. They are Douglas Scott, president; Kayla Hodge, vice president; Tina Parks, secretary; and Cynthia Owens, parliamentarian.

In addition to their offices they play other roles around school. Douglas is also band president and head drum major of SOC Marching Band. Kayla and Tina are cheerleaders. Kayla is captain of the cheerleaders squad. Tina is Homecoming Queen. Cynthia is a member of Chamber Choir and stared as Auntie Em in The Wiz.

The Interpretation of Myth

The important thinkers Carl G. Jung and Claude Lévi-Strauss have presented relevant theories of mythic thinking and have proposed useful methods for analyzing myths. For the purposes of this paper I will first present the theoretical foundation of each of these men, then I will use the example of the White Buffalo Woman myth in the book Black Elk Speaks to demonstrate how the theories apply to a specific myth, and finally I will compare the interpretations and theories of Jung versus Lévi-Strauss.

Jung puts primary stress on the origin of mythic thinking as proceeding from the unconscious psyche. Jung, interested in the workings of the mind, came up with a theory (based on Freud) in which the mind is divided into the rational, individualistic consciousness, and the unconscious also consisting of a personal and collective unconscious. The personal unconscious also consists of a sexual personality the idea of which is important in the very early stages of life.

Myths are important in the very early stages of life. They are closely related to these early stages of life. According to Jung, the unconscious is the most important in the situation of the individual. However, the unconscious is not the only factor in the situation of the individual. The unconscious is not the only factor in the situation of the individual. The unconscious is not the only factor in the situation of the individual.

"Live" juniors are not intimidated

Guess who's the talk of the school? Those "live" Juniors—the class of 85. These elite students of S.O.C. are the "real ones", who are making "the dream" a reality. Under the leadership of their dynamic sponsor, Mrs. Marva Davidson, and president, Cleora Woods, they are able to accomplish any goal, or even overcome any obstacles in their way.

Throughout the year the juniors have done numerous things together, pizza parties, junior ballon fight days, and picnic at Kiest Park, and T-shirt day. Their activity list continues. This junior class wasn't intimidated by the seniors of 84.

Dr. Jack Gilbert

If you are looking for a "die-heart" Longhorn fan knock on the door of Room 129, and Dr. Jack Gilbert, a University of Texas Longhorn's drum major for three years, will greet you with a warm Texas-size smile and vocabulary.

Jack Gilbert has spent six of his twenty-four years in education with the S.O.C. family. He teaches mass media, Test Taking and English I. He's a member of Phi Delta Kappa, Kappa Kappa Psi National Council of Teachers of English, and Speech Communication Association of America. He obtained his P.H.D. from North Texas State University.

He tells his students, "Be fair, honest, and treat others with the same respect and consideration with which you would like to be treated." He passes on his youth-hood advice, "When duty whisper low, 'Thou must!' Ole youth reply, 'I can!'"

Richard A. Hill

"Life can be hard but consider the alternatives," is the philosophy of Coach Richard A. Hill. He has taught eight of his twenty-two year teaching career at SOC. He teaches American history and is an assistant coach to the varsity football team.

Hill was born in West, Texas. He is married and has a daughter, Ashley, fourteen. He is on the Board of Directors of the Y.M.C.A. He obtained his Bachelor's of Science Degree from Southern Methodist University and his Master's Degree from North Texas State University. He entered into the field of education because of an excellent role model, his high school coach. On beautiful days away from school he enjoys tennis and fishing. The most significant advice given him as a youth but will apply for today is, "Remain calm, things could always get worse."

Camille Malone

Camille Malone has been a teacher at S.O.C. High School for nine of her twelve year career. She is a silent backbone in the progressive function of our school.

She is a math major with a Master's Degree in Interdisciplinary Studies from U.T. at Dallas. A native of Tulsa, Ok., she is a member of the National Council of Teachers of Mathematics, GREEN-PEACE, International Fund for Animal Welfare, and presides as Chairperson for the Oversight Committee on Incentive plan for the D.I.S.D.

She has a son, Jay, dog-Moffit, and cat, Maggie. She enjoys reading, promoting conservation and preservation of animal life, and contribution to the development of a merit system for outstanding teachers.

Ms. Malone's life's philosophy is one of Winston Churchill's quotes, "Never, never, never, never give up." Several prospectives keep her afloat are "God knows better than I what is best for me," and "Happiness comes from within the individual."

Dr. Reese is the lady that puts the jingles in the halls of S.O.C. with her keys. When you see her coming you know she means business- "strict" business.

Dr. Reese is Dean of Instruction and has been in education twenty years. She is a graduate of N.T.S.U. and received her Educational Doctoral Degree from E.T.S.U. Dr. Reese is a product of the D.I.S.D. attending Wheatly Elementary and Lincoln High. She is a charter member of the New Jerusalem Institutional Baptist Church, member of Delta Sigma Theta, N.A.S.S.P. and Assoc. of Supervision and Curriculum.

Dr. Reese's life philosophy is, "Education is life's highway that everyone must travel. One can choose to enter or exit at different points." She was advised as a youth that, "Some people may stop you temporarily, but only you can stop yourself permanently."

Dr. Maxine T. Reese enjoys civic work and traveling. She has a daughter, Lynnetta.

**Annie R. Baylor
Parents Teachers Association**

Mrs. Annie Baylor is the mother of three children, two of which a South Oak Cliff High School graduates. She is the president of S.O.C. Parents-Teachers Association.

Mrs. Baylor states that having children attending public schools is enough to be involved in the school and its supportive organizations. She has been involved in P.T.A. activities for fifteen years. She states that her biggest challenge is equal and quality education for all children. Mrs. Baylor encourages students to take high school more seriously, so that after graduation they will have prepared themselves well for what endeavors they have set in their lives.

South Oak Cliff High School students and staff is indebted to Mrs. Baylor because she fights for needy improvements such as roof repairs and painting.

Vincent Todd Baylor, Ms. Baylor's son presently in S.O.C states having a mother for a P.T.A President doesn't really help or hurt. It places a great responsibility on him to uphold a good image.

Thanks Mrs. Baylor for being involved.

Our "Ocean Of Motion."

The one hundred forty three members of South Oak Cliff Golden Bears Marching Band, directed by Mr. Neal and Mr. R. L. Johnson, assisted by drum major Douglas Scott, assistant drum major Sharon Gault, Keith Smith and Darryl Dubose. The South Oak Cliff Band is one of the most prestigious exciting games are outstanding. The most exciting half-

time show was the homecoming game against the Roosevelt Mustangs. The S.O.C. Band blew them off the field!

U.I.L. competition for 83-84 was extremely tough and the band members were disappointed with their 4th division rating. However, the band

S.O.C. 1983-84 Golden Pivote

South Oak Cliff's Solid Gold Dancers.

The South Oak Cliff 1983-84 Pivoteer Drill Team is the most tantalizing, dazzling and spectacular organization in the state. They are under the supervision of Ms. Nancy Jackson. Her lively and vivacious captains are Head Captain-Gold, Detra Phillips, Head Captain-White, Sharon Long, Captain Lorne Bell, Captain Lanette Brown, Captain Kristie Brooks, and Captain Lisa Wiggins.

To be selected into this organization you must have a knack for dancing. There are 55 members in the 1983-84 drill team.

To keep the spirit and skills of dancing at its top, these ladies compete for Pivoteer of the week, Best Girl in Line, and Most Talented.

Each year The Pivoteers sponsors a function to contribute funds to the United Negro

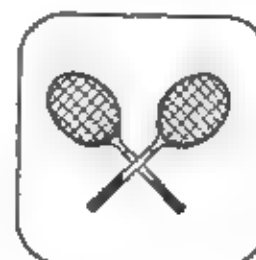

College Fund. This year the drill team will compete in the Greater Southwestern National Drill Team Competition March 31, in Orlando, Florida.

These 55 lovely ladies are very well in tact and look forward to a wonderful future because of a strong foundation.

Y-teen Activities

Y-Teen

The Y-Teen organization represents a young woman's christian task force of sort. They try to create and maintain a community awareness program which represents their christain like attitudes toward their school and the Oak Cliff community.

Some of their outstanding school projects include the one and only annual "Mr SOC Contest" which was a Y-Teen invention in 1978 and the annual Golden Club affair which includes a fashion show, car wash, and bake sale which funds and gifts are obtained for Thelma Boston Home for children.

The 1983-84 Student Advisory Committee had two tremendous goals to achieve. This group of outstanding young students were selected to act as a representative body out of the total enrollment of 2,300 students. The establish of an atmosphere conducive to excellent academic achievement was first on this committees priorities. Secondly, all student related problems and suggestions were discussed and solutions for improvement were implemented. Without a vital organization like this one, South Oak Cliff High School would not be the outstanding and unique educational institution that it is.

ATHLETICS

Like all organisms there must be some form of rejuvenation to maintain existence. The South Oak Cliff Golden Bears' Athletic Department experienced its rejuvenation with new "athletic engineer", Edmond Peters.

Looking back forward, Coach Peters faced the facts that the Original #1 football team had lost only three seasons in its 20 year history. The previous head coach had won 105 games and three district championships in a 21 year career with South Oak Cliff High School. Only two experienced players from the '82-'83, 10-2 record, team returned. The Original #1 boys basketball team had a new head coach, the state ranked girls basketball team had lost its head coach, and the entire athletic department was under construction.

All eyes were looking back at the Original # 1 records and speculating the future ahead.

The Golden Bears Come Out Of Hibernation For Woodrow Wilson.

Like a hungry bear, South Oak Cliff wasted no time scoring its first touchdown two minutes after the kick off. Quarterback, Victor Barnes set-up for the score with a pass to Darwin Williams. After Woodrow's Wilson third punt the Golden Bears scored with senior tailback, Steven Allen rushing for 105 yard. Allen was the offensive bear in the Woodrow Wilson game.

Returning to the playing field with a victory under their belt the Bears were fired up for the Spruce Apaches. However, their hopes were ambushed. One of the few bright spots for the Golden Bears was junior running back, Lester Dixon, who rushed 94 yards on 11 carries. Lester Dixon also scored the Bears' only touched down on a 15 yard play. S.O.C. let themselves get hurt by allowing too many turnovers, which led to the score of Spruce 27 points to S.O.C. 7 points.

Coach Edmond R. Peters

Quiet often during the 1984 football season, Coach Edmond Peters probably wished he was engaged in one of his hobbies of fishing, golfing, or hunting. However, he had to endure the forlorn season of a 7 3-1 record.

One might classify Coach Peters as a realist. He tells his players to set high goals, however to avoid discouragement, makes sure the goals are attainable. This is the philosophy he used as a newcomer to the S.O.C. family. He replaced Coach Norman Jett.

Coach Peters has been in education for 24 years. Along with the duties of Department Head of South Oak Cliff Athletics, he also teaches world history. He received his Bachelor of Science Degree from Fort Valley State College and a Master's Degree from Prairie View A&M University. He is a member of the Texas High School Coaches Association and the American Football Coaches Association. He's a native of Atlanta, Georgia. He is married and has a son and a daughter.

WELCOME HOME

The South Oak Cliff family was very thrilled to have one of their prized graduates to come back and visit his old Alma Mater. Charles Hudson attended South Oak Cliff with pride. He was on the baseball team at S.O.C., and when he left he furthered his education at Prairie View A&M University. He also played baseball there. Now Charles Hudson is a pitcher for the Philadelphia

Phillies. Hudson is the only S.O.C. graduate playing professional baseball. It was a very exciting experience for the athletes, coaches and invited guests. He was given a standing ovation by the crowd. The news media covered the assembly program and the audience ended the program with the singing "Hero."

1st row: Marquetta Gray, Richard Taylor, Kathy Barney, Theresa Burns 2nd row: Micheal Sargent, Eric Sims, Tonya Singleton. 3rd row: Coach Robert Hasting, Montriville Pearson, Monic Ware, Derek Simpson, Darnell Blair.

This school year has been a great improvement in the South Oak Cliff Tennis Team. They have competed with the best teams in the district and have had other teams worry of our great potential. Although we returned this year with only three lettermen all young ladies-Kathleen Barney, Theresa Burns and Marquetta Gray other member contributes significantly to our program. These members includes Jerome Allen, Darnell Blaie, Amos Matthews, Montriville Pearson, Micheal Surden, Tonya Singleton, Richard Taylor and Monique Ware.

Our season ended in April with the ladies double team Theresa Burns and Marquette Gray winning third place in the district. They are both returning one more year. The teams has also made itself pollular and well known and proud to join the tradition of the Golden Bears.

Nichols Takes Featherweight Title

In the above picture light flyweight Jaime De La Torre of El Paso (left) can't stop a right to the chin from Dallas' Coleman Nichols at the 48th Texas State Golden Gloves Championships at Will Rogers Coliseum. South Oak Cliff ... a changing image, striving for educational excellence, teachers teaching, students learning, and parents involved. The South Oak Cliff Golden Bear Family is very legendary. The teachers, student body, and faculty are a very dedicated, talented, and courageous group of people. The 1983-84 school year was a very strange year for the students and some of the teachers. Dr. Todd changed a number of the every day activities. Dr. Todd announced that students should be in class before the tardy bell rang or in the auditorium waiting for a parent conference. Besides all of the confusion, this year was a very rewarding one.

Seniors Take Over Role Of Instruction

(More Photos on page 216)

Life At S.O.C. Is "Totally Awesome"!

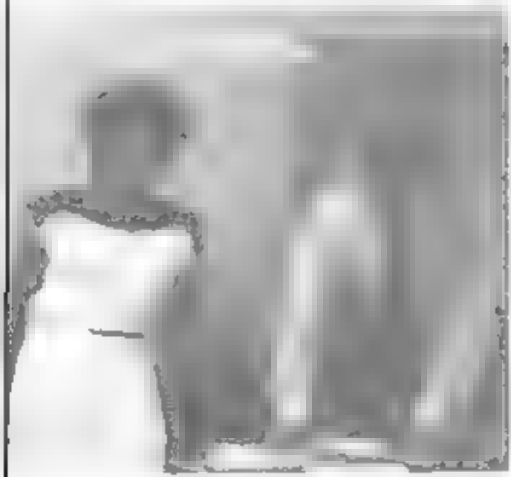

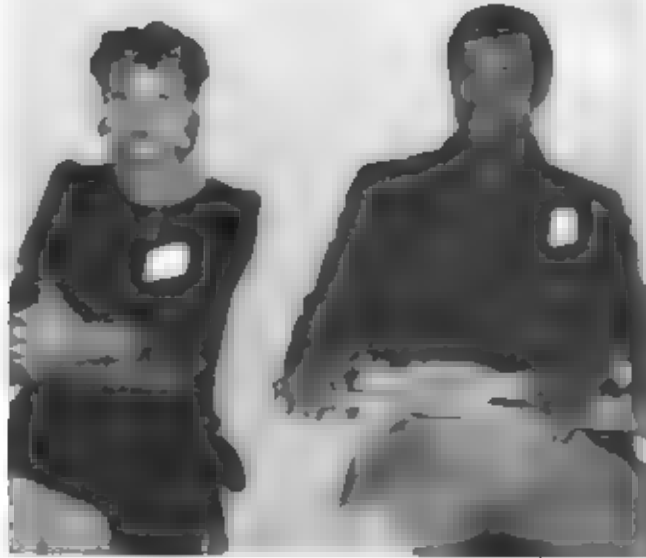

As a new year of school begun students found themselves having to reajust their schedules, work, and social lives around their inevitable life - high school. For the next nine months students would find themselves looking back, forward trying to deal with teachers, freshmen, Dr. Todd, homework, pep rallies, choir competitions, homework, Dr. Reese, band practice, lunchroom food, homework, Mr. J. Williams with his spirit ribbons and his spirit buttons and his spirit, and homework, homework, homework

Many students found it difficult to face the facts that they could no longer sleep until noon or party after midnight all during the week. Teachers made it perfectly clear that it was time for students to start learning.

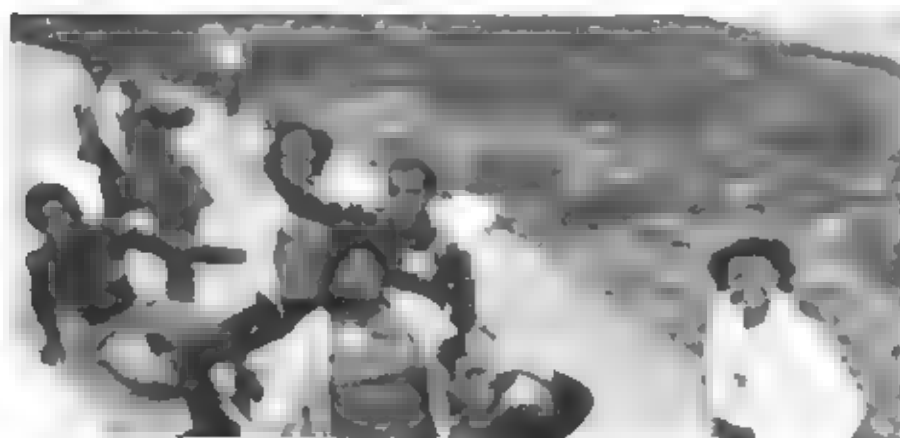

Seniors Learn Problems Of Teaching

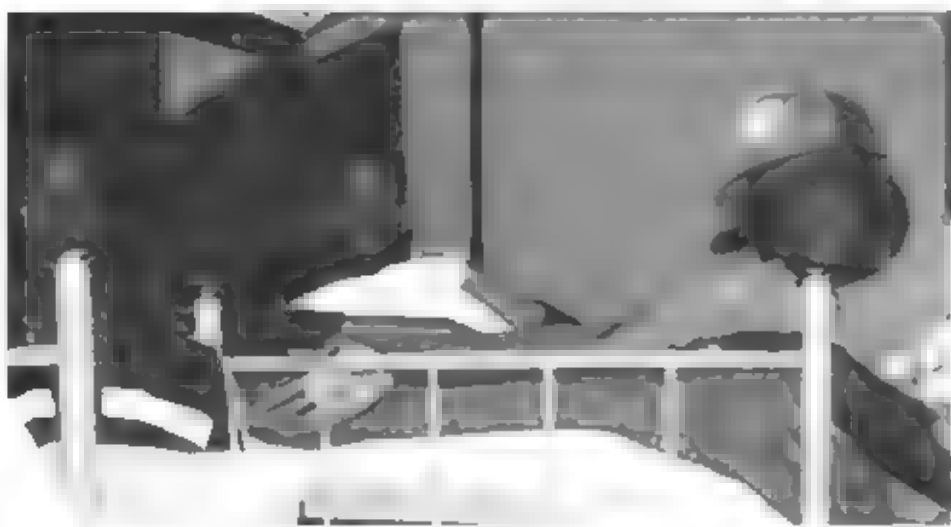

The Annual Staff Goes To Austin

The South Oak Cliff Annual Staff took a three day trip to Austin, Texas. This was the first time the staff had ever attended the University Interscholastic League Press Conference. Seven students and two chaperones attended the convention. The members of the staff attended classes that gave tips and suggestions to having a good annual. Besides going to classes the staff also toured Austin, seeing the capitol, Mount Bunelle and other points of interest.

R.O.T.C. Takes A Trip To Oklahoma

The R.O.T.C. is a very talented and regimented organization. They took two trips to Fort Sill, Oklahoma for Orientation and competition and the drill teams were very successful and both male and female teams won 8 out of 12 trophies. Five which were 1st place, 2 were 2nd place and 1 3rd place trophy. The male drill team won 1st place in basic drill, fancy drill, and first place overall. The female drill team won 1st place in basic drill and 2nd place overall. Oliver Smith placed 3rd in Best Commander and Renita Watson placed 2nd in individual drill and the R.O.T.C. is led by the leadership of Cadet Lt.

Daphne Dixon the first female Battalion Commander in the history of South Oak Cliff The man responsible for the organization is Col. Reginal W. Carrington.

Pep assemblies were restricted for those who didn't have the bear spirit and there was only one instead of three. Yet that didn't stop the bear fans from blocking to cheer the bear and to miss half of there first period classes.

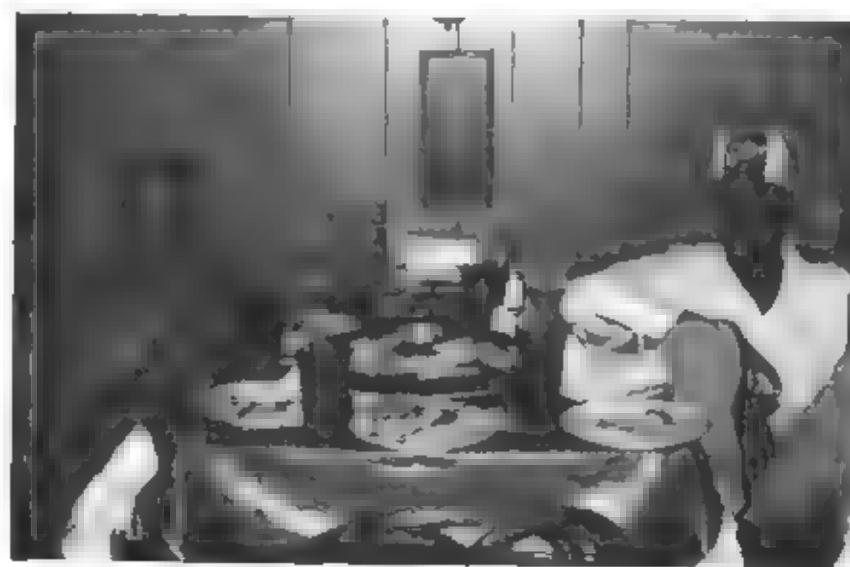

Where do students go to lunch? Of course the cafeteria. Right? Wrong? This question comes under the heading "The Forbidden Pleasures". The aim of the lunch game was, let's see who can get off campus the most times to go Burger King, Micky "D's", notorious Church's, and of course the "House Across the Street", without getting busted by the ever present DR. TODD.

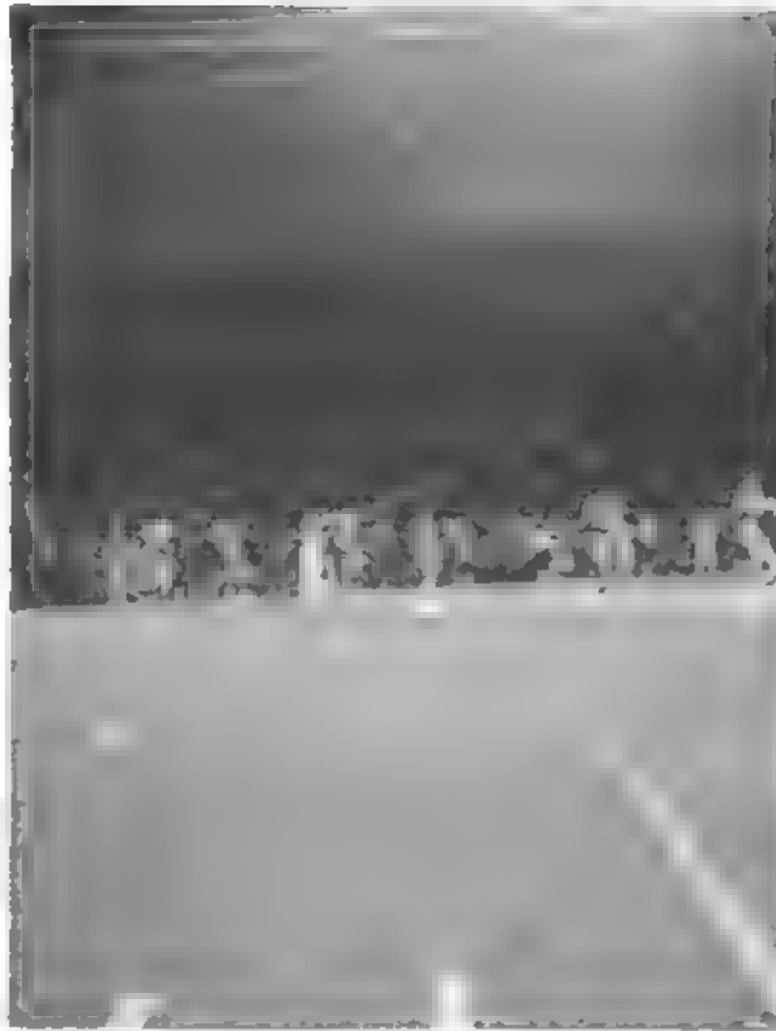

Imagine the faces of those students who were greeted by Dr. Todd with that pointed finger and the question, "Where do you suppose to be going?" That was easy to deal with. What was hard to deal with was watching your classmate eat their lunch time treasures while you ate the lunch time surprise in the lunchroom.

First there was "Purlie" in 1978 then, "Annie Get Your Gun" (1979), "Raisin" (1980), "Blues in the Night" (1981), "Purlie" (1982), and "Music from the Soul" (1983). Now, in 1984 the first and biggest production ever put on by the entire Creative Arts Department was "The Wiz".

This production had approximately 80 people in the over all cast. The students were hard working and dedicated, working during school as well as after, some staying for rehearsal until 10:00 o'clock at night. With a packed house both Thursday and Friday nights the show was a great success. Both Dorotheys, Charmelia Smith (Thurs.) and Ava Morgan (Fri.) did superb jobs. Special recognition must also be given the

other cast members, Scarecrow (Andre Rich), Tinman (Roy Lee Jones), Lion (Paul Dickson), and others who were superb. Thanks to the faculty members from the Creative Arts

Department who deserve special acknowledgement, Robert Bearden and R. Keeton for the Art; Helen Spence for Costume Design, R.L. Brown Assistant Director, Alberta Williams Choreographer, Z. Johnson and Cecil Neal for Stage Band, and Special thanks goes to Deborah Kilgore Department Chairperson, and Mrs. Jowanda Jordan Production Director.

The 1983-84 Golden Bears Homecoming

The bears came out with a bang their last game of the season. The S.O.C. Bears beat the Roosevelt Mustangs 13 to 6. The game was the most exciting games of the year for the Bears and their fans. The Homecoming pep assemble was a knockout. The Bears fans showed more spirit than they had all year long.

*There was a Big Roar through the stands as the South Oak Cliff Golden Bear Drill Team walked onto the field. The Band and Drill Team planned to satisfy the fans, give the team inspiration, and at the same time steal the halftime show
And They Did Just That!!!*

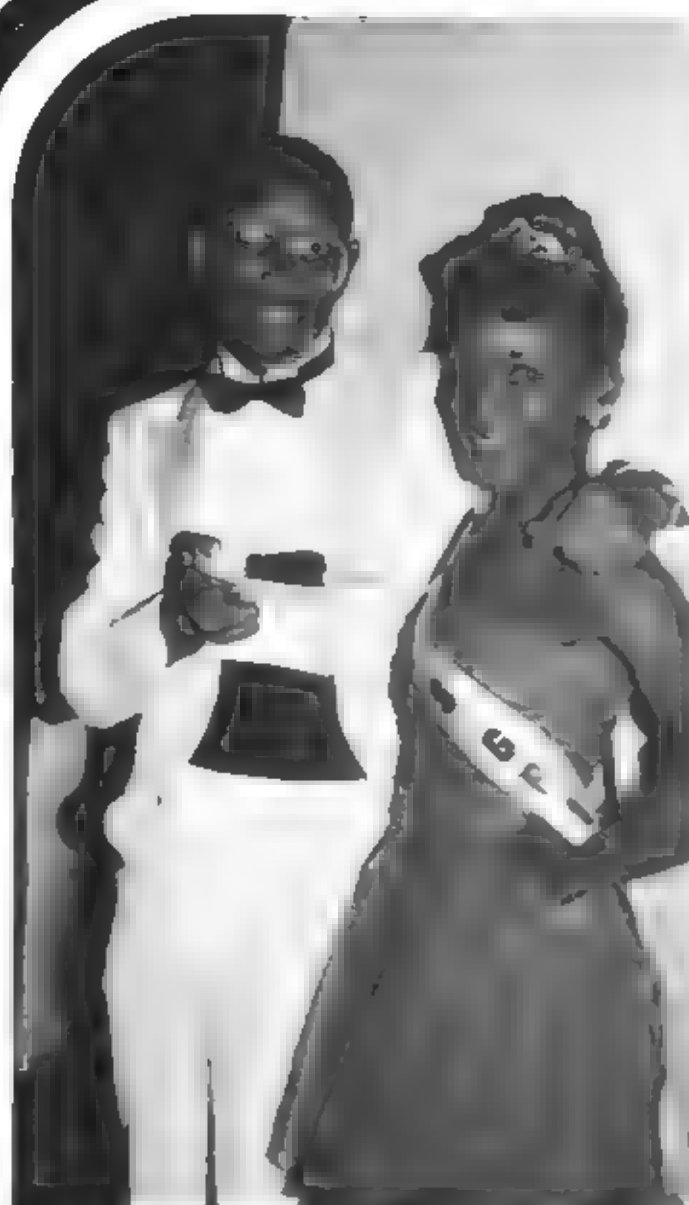

It's time for a good old SOC pep-assembly. This is were the students come and enjoy themselves and shout, scream, yell, just let out all the angry feelings that you have for fellow classmates and teachers. The purpose of a pep-assembly is to get the teams fired-up for that particular game. And our team, well we know the story. To sum it all up a pep-assembly at SOC is very Different.

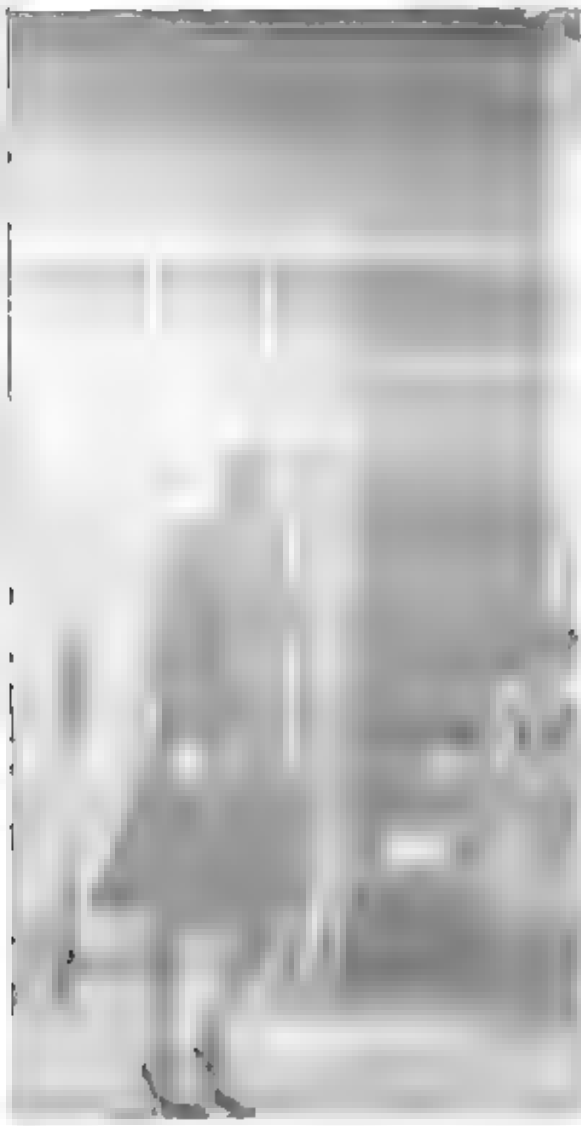

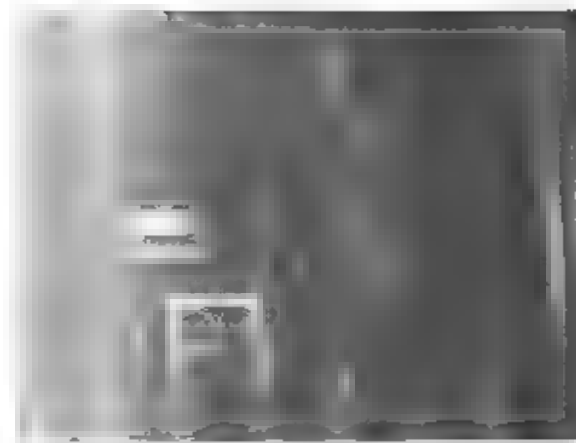

The R.O.T.C. Ball

The 8th Cadet Battalion R.O.T.C. of South Oak Cliff High School Annual Military Ball was held at the Dupont Plaza in Dallas. It was a formal and gala affair. The R.O.T.C. members went through their annual selection of Miss and Mr. R.O.T.C. Miss Regina K. Hall and Mr. Courney D. Blunt reign as the winners. The first runners up were Ms. Anquinette Wilson and Mr. Anthony Benson.

The Mr. & Miss S.O.C. Pageants

One of the most exciting occasions of the year is the Mr. and Miss South Oak Cliff Pageants sponsored by the S.O.C. Y-teens, under the instructions of Mrs. Janice Goines. This year's pageants were great affairs. The contestants displayed talents were truly magnificent. Their talents ranged from singing to poetic recital. After a day of talent it was a night of formal attire, with everyone looking their best for this grand occasion. The men wore tuxedos and young ladies wore evening gowns. This was truly a great occasion with Mr. Jon Thompson and Miss Rotunda Record crowned as Mr. & Miss South Oak Cliff 1983-84.

Beautiful Ms. Janet Jackson gave the South Oak Cliff Family an extraordinary thrill when she came to S.O.C. to give a speech on why its important to stay in school and graduate. After her speech students had an opportunity to ask her questions. One of the questions was, "Where is your brother Michael?" Then she gave autographed pictures and even let one of the students give her a kiss on the cheek. The South Oak Cliff Golden Bear Family really made her feel comfortable and, most of all, enjoy herself as a guest in our school.

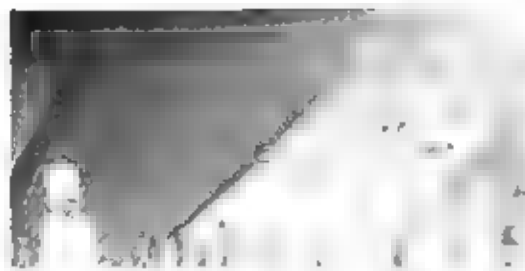

The Spectacular Teachers' Talent Show

The teachers of South Oak Cliff High School presented a talent show that ranged from Shirley Temple to Barry White. We had teachers to play the Solid Gold Dancers, Gladys Knight and the Pips, The Faculty Jazz Band and our own Faculty Choir. There was much much more.

The teachers enjoyed themselves and the student body was very thrilled over the talent they displayed. Now we know the students aren't the only talented people in the "Land of the Golden Bears."

South Oak Cliff's Marching Band is a very talented group of musicians and students put all together as one. The band plays around and has its fun, but they always know when its time to work. The students in the band are well known around the school. The most exciting parts of the band is the dancing and performing of the band at games, and most of all the amazing drummers and dazzling T-Bone Connection. The band is one of S.O.C.'s most prized possessions.

One Thing The Annual Staff Wants To Forget!!

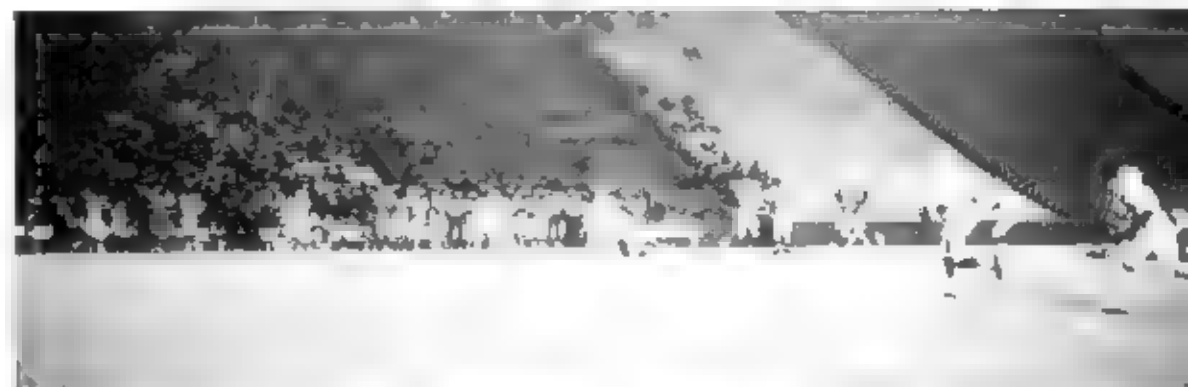

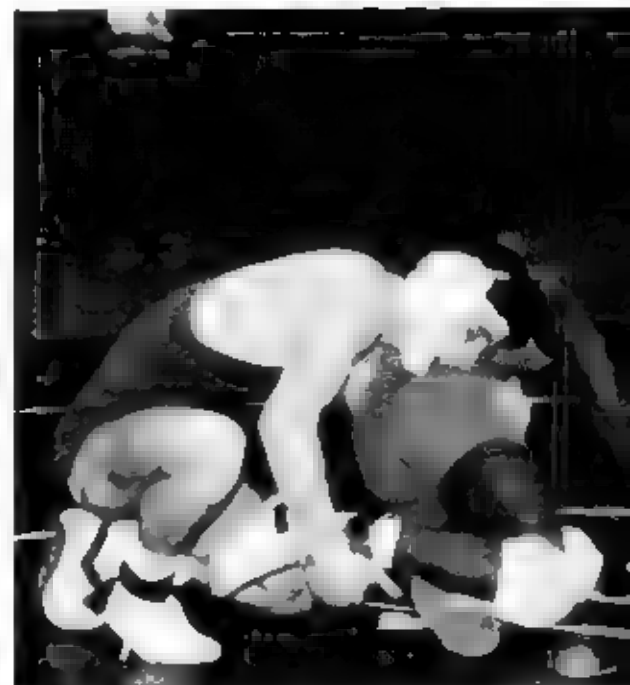

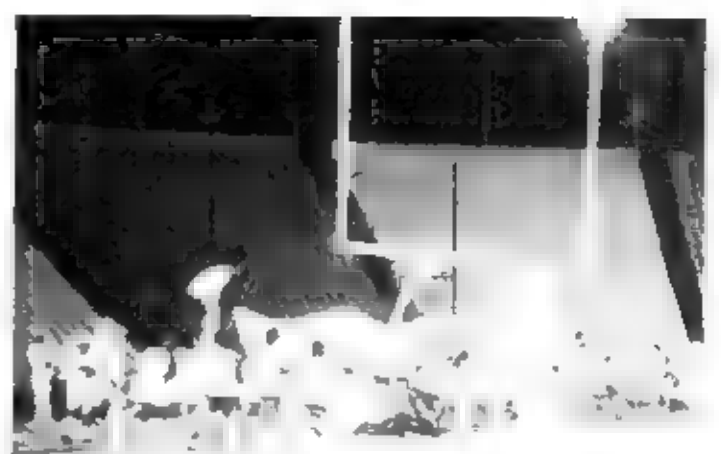

Andre Franklin

Unique Productions, Andre Franklin and the Den Staff co-sponsored a fashion show. At the most twenty people turn out for this fashion show. The models were dressed to the style, but the show was not dressed to a "T". The Annual Staff members were requested that they be present, but not every one showed up (we know why). The Annual Staff had never wish to experience anything like this before or ever again. We're talking "nightmares"!!!

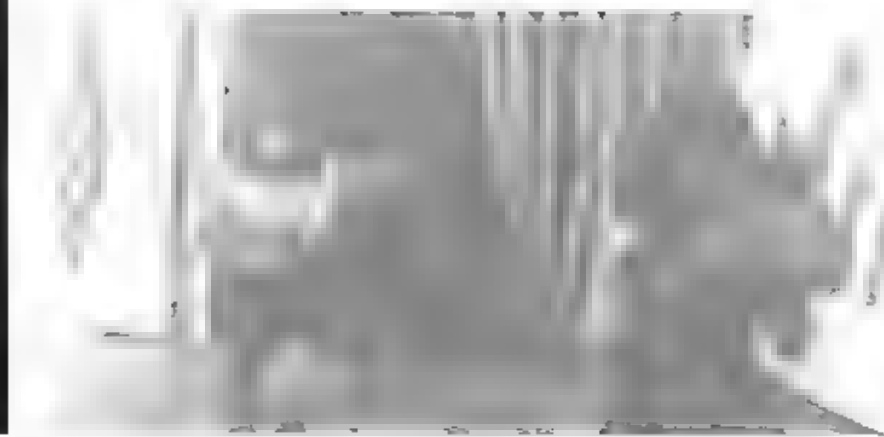

Thanks Andre!
